

Sponsors

Do you know anyone who would like to play a special role for Jurupa Hills High School? A successful show requires more than talented performers and crew. The need for financial support from the community becomes vitally important as productions near.

Take note of the premium service provided for our Sponsors. First, our sponsors receive special recognition in the program for their amazing generosity. Second, our sponsors receive the very best seats in the audience. Every Sponsor seat is located in the center middle section. This is optimal seating and is an exclusive area reserved for the Sponsors! For the business Sponsor, the Director and Producer's Circles provide tickets so that they can be given to their employees or customers.

Thank you for helping to increase the size of our family.
